DIGITAL MULTIFUNCTIONAL SYSTEMS / A3

3555i/4555i/5555i
3005ci/3505ci/4505ci/5505ci

THE WAIT IS FINALLY OVER: DO IT ALL WITH THESE MULTIFUNCTIONAL SYSTEMS!

ARE YOU USED TO TOP PERFORMANCE? THAT GOES WITHOUT SAYING. BUT WE'RE GOING ONE BETTER: OUR NEW A3 COLOUR AND B/W MULTIFUNCTIONAL SYSTEMS DELIVER TOP PERFORMANCE AS STANDARD AND OFFER A FULL RANGE OF ADDITIONAL CONFIGURATION OPTIONS. IT'S THAT EASY TO PERFECT YOUR WORK-FLOW MANAGEMENT. NO WONDER YOU'RE IMPRESSED!

BUILT-IN TOP PERFORMANCE: PROFESSIONAL STATE-OF-THE-ART EQUIPMENT

Increase the quality of your documents and opt for professionalism in paper management and finishing. Take advantage of the many functions that our colour and b/w multifunctional systems have to offer. Achieving perfect results that meet your particular performance requirements is a piece of cake.

- Achieve positive image effects and reduce costs: Create attractive handouts for customers or presentations for business partners on high-quality paper with cover sheets and back covers. Use normal paper for internal purposes.
- Meet deadlines and time demands: High-speed output of up to 55 pages per minute in b/w, 50 pages per minute in colour (5505ci) and 100% duplex productivity ensure your documents are completed in a timely manner.
- Easy-to-understand, intuitive operation via a colour touch panel similar to a smartphone or tablet: Zoom and swipe as you would on any other system.
- You'll never get lost again: The 'Home' button allows you to return to where you started at any time.
- High performance, even for large-scale print jobs: High paper capacities and definition of up to 50 dividers per print job.
- Stay on the ball to ensure nothing gets mixed up: Using two job separators* (or the finisher with multi tray*) printouts and copies are output into separate output trays.
- Slim down document management: Everything is at hand in your individual document box. Processing print data for recurring jobs is no longer necessary, which reduces the burden on the network.
- Protect confidential information: The 'Private Print' function uses access codes in the printer driver to prevent unauthorised access to your documents.
- Make document-related costs transparent: The costs for printouts and copies can be allocated to up to 1,000 management codes (departments or projects).

* optional

Create banners in formats up to 330 x 1,219 mm.

Intuitive operation, just like a smartphone.

The card reader* is integrated elegantly.

...AND IT KEEPS GETTING BETTER: INNOVATIONS AND NEW DEVELOPMENTS

You'll like this: We have once again increased the productivity of the colour and b/w multifunctional systems and improved output quality. These innovations are sure to be of benefit to you.

- Keep your e-mails compact: You can compress PDF files early on when scanning and check the size of documents before sending.
- All formats welcome: Print special formats up to A3+ from the cassette, paper weights up to 300 g/m², tab sheets and banner paper.
- Good sorting saves time and money: The system can detect blank pages thanks to new copy functions. It goes without saying that these are not copied.
- Stay in touch: It's quick and easy to print and scan from a mobile device via a Wi-Fi interface.
- 'Send to Me': Login and send important documents to your own e-mail address.
- Consume even less energy with 'Deep Sleep' mode and work in a more environmentally friendly manner, only activating the functions you really need.

Powerful multifunctionality: Perfect results are a piece of cake with the new A3 multifunctional systems, even if you have special requirements.

PRACTICAL EXPERIENCE: TAILORED TO YOUR NEEDS

We want you to be able to work effectively and economically, and be satisfied with us. Put your trust in our practical expertise and configure your multifunctional system exactly to your needs.

- Take pride in your appearance: Shine in customers' eyes and at business meetings. Use the finisher* to create attractive, dispatch-ready handouts in the form of brochures, for example. Never again will you have to spend hours folding business letters (tri-folding for letters*). There's a reason to be upbeat: Your mailing is ready for dispatch!
- Speed up scan processes by scanning colour and b/w documents with the dual scan original feeder* for 175 pages and accelerate the distribution of the scanned data to the desired recipients.
- Remain flexible when it comes to your needs and requirements regarding individual workflows: Optimise your system with software solutions* via the HyPAS interface.
- The individual software solutions for all aspects of your documents will make you tough to beat: Solutions are available to increase productivity and security standards and optimise scanning and archiving processes.
- Save even more time: Follow-Me-Printing solutions* enable you to decide the time and the place, or in other words, when and on which system you would like to call up your print job.
- Find it, while others are still searching: Create text-searchable PDF files* while scanning.
- Determine who can do what: Thanks to scalable security and accounting solutions* based on your needs.
- Delete your tracks: The Data Security Kit* enables you to prevent data on the hard disk from being retrieved after use.

EXCELLENCE INITIATIVE FOR A NEW LEVEL OF COLOUR WITH 3005ci/3505ci/4505ci/5505ci

Colour packs a punch. Certain industries and departments cannot get by without impressive colour printouts. Colour documents are eye-catching, increase memorability, improve communication and direct attention to what matters.

- Discover real colour reproduction in your documents with the subtle coordination of shades using a Fiery® Controller*.
- Invest in your corporate identity: Use different colour charts and adjust logo colours to your corporate design.
- Benefit from the positive image of improved colour reproduction: Do so using the intuitive tools in the printer driver.
- Save money by only using colour printing when it is required: Limit functions to defined user groups, for example, by introducing a card reader system*.

' Colour packs a punch thanks to the excellence initiative for our new colour multifunctional systems. '
